

17.9 Early Payment Default (EPD)

If any of the first four (4) monthly payments due after the loan sale date becomes delinquent Divine Mortgage Capital considers this an Early Payment Default (EPD). EPD loans are subject to be repurchased by the Client pursuant to the Mortgage Loan Purchase Agreement

17.10 Legal Documentation

Available Fannie Mae security instruments, notes, riders/addenda, and special purpose documents can be utilized for loan documentation. In the case when Fannie Mae doesn't offer current documentation such as interest only, a document vendor should be utilized for forms.

17.11 Fraud Prevention

All loans are underwritten with fraud prevention and detection as part of the lending decision process. The following fraud prevention requirements are used for all transactions as applicable which include but are not limited to:

- Internal Fraud Prevention Tools (CoreLogic™ or FraudGuard® Reports).
- Ineligible Party List search requirements.
- Verbal Verification of Employment requirements.
- MERS search prior to closing.
- Internal settlement agent and title company approval process.
- Soft-pull credit report in compliance with Fannie Mae's LQI to determine if the borrower may have taken out new credit prior to closing.
- Originators are required to originate loans in compliance with all applicable federal, state, and local laws, rules, and regulations, including the USPAP and the FACT Act.

The Fraud Report is reviewed by the Underwriter at initial approval and again prior to issuing a clear to close if the report is more than 30 days old. All variances noted on the Fraud report must be reviewed and mitigated with comments and supporting documentation, if necessary, before the final clear to close can be issued.

Clearing Variances on Fraud Report: Underwriters must note how they mitigated the Moderate and High Risk Variances on the Fraud report by making notes on the report. Supporting documentation should be included in file before the final clear to close be issued.

FraudGuard® scores above 800 from CoreLogic™ require management review and approval by the Underwriting Manager in order to proceed with the loan.

Underwriters to confirm by reviewing the Fraud Tools, if any of the companies or individuals involved in the origination, underwriting, or servicing of the mortgage transaction are on any of the following lists:

- General Services Administration (GSA) Excluded Party List
- HUD Limited Denial of Participation List (LDP List)
- OFAC List
- Freddie Mac Exclusionary List

Regardless of the reason or the scope for the party being excluded, any party to the transaction included on either list will result in the loan being ineligible for delivery.

17.12 Pre-Funding Audit

Divine Mortgage Capital strongly recommends but does not require that lender's implement a pre-funding audit process (such as those prescribed by Fannie Mae and Freddie Mac) to improve loan origination quality.
